

DRL Furlough Days

Due to the national economic crisis and the impact on State revenues, the State of Wisconsin is requiring that all state employees take eight days of furlough for each of the next two fiscal years. DRL has designated four of the eight days each fiscal year as days when the entire agency will be closed to the public. The other furlough days will be used on preferred days by each employee during the fiscal year.

The agency furlough days for DRL are as follows:

Fiscal Year 2010

October 12, 2009

November 27, 2009

February 15, 2010

May 28, 2010

Fiscal Year 2011

October 11, 2010

November 26, 2010

February 2, 2011

May 27, 2011

On the above days, the agency will be closed to the public. However, all online services will be available on these days.
